

My name is Ella and I've been dancing at Chesco almost 8 years and I love it. It's a fun experience and dance is also a good way to express yourself, and get moving. I enjoy dance because the teachers always encourage you, and help you work towards goals like getting your pointe shoes in ballet or becoming better at a certain move in class. This is my first year in the teacher assistant program and I love helping the younger dancers because I get to help them learn and grow as dancers too.
